Thanks Marianne,
I forgot to cover this with Will, but will try to reach him after his plane touches down later today.

Is there a specific time that's set?

OK. Dennis is available in the morning that day though it technically is a day off for him. He won't be in the office, but can do the interview from home.

I'm not sure. I'm looping in Joelle as I know she touched base with Will on Friday and I'm not sure if this was confirmed or not.

Thanks Allison. Do you know whether Will is going to be available Friday to do the proactive press interview?

Subject: FINAL rollout and Q&A for Oregon CZARA rollout

All--

Please see attached for the final rollout plan, key messages, and Q&A regarding NOAA and EPA's decision to disapprove Oregon's Coastal Nonpoint Program. A few adjustment were made to make sure our discussion of the penalties and how we talk about the action we're taking aligns with statements made in other documents.

The first key message was also adjusted a bit based on feedback from NOAA folks downtown.

Allison

All--

During the coordination call tomorrow I hope we can go over the following to make sure we're all on the same page and confirm who has lead and who should be involved in each activity:

1. Press release/timing/coordination with state?
2. Hill notification/briefing/timing
3. Update on other rollout activities (notify state, FRN publication, etc)
